LISTED PRODUCTS

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date: May 2008 -Rev. 4/20/2009- Void After: May 2009

Product: Vitreous China Nonwater Urinals File No. C-4107

Issued To: Falcon Waterfree Technologies
10900 Wilshire Blvd
Los Angeles, CA 90024

IDENTIFICATION: Each fixture meeting the standard shall be permanently marked as required by this section. Where the fixture is comprised of two or more components, each fixture component that is visible after installation of the fixture shall be permanently marked as required by this section. The manufacturer's name or registered trademark or, in the case of private labeling, the name of customer for whom the fixture was manufactured shall be applied so as to be legible, readily identified, and located so as to be visible after installation. The model number and date of manufacture shall be applied so as to be legible. All packaging for vitreous china nonwater urinals shall be marked with the manufacturers name or registered trademark or, in the case private labeling, the name of the customer for whom the fixture was manufactured and the model number of the fixture. The product shall also bear the UPC® certification mark.
