## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: September 2016

Void After: September 2017

Product: Hybrid Urinals with High Efficiency Drain  
Cleansing Feature

File No. 9027

Issued To: Falcon Waterfree Technologies  
2255 Barry Ave  
Los Angeles, CA 90064

Identification: Each urinal fixture meeting the standard shall be permanently and legibly marked with the manufacturer's name or registered trademark or, in the case of private labeling, the name of customer for whom the fixture was manufactured. Markings shall be applied so as to be visible after installation. Listed products shall also bear the UPC® certification mark.

Characteristics: Hybrid Urinals in compliance with IAPMO IGC 311, ASME A112.1.3 and ASME A112.19.2/CSA B45.1 to be installed in accordance with manufacturer's installation instructions and the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
